How this is built: "Actual" is every FreeAgent transaction (plus Swim Manager for Membership) from 1 Jan to the cut-off date above. "Budget" is Jan-Aug in full plus September pro-rated by days elapsed. FreeAgent's 45 nominal categories don't line up one-to-one with the Ledger's lines — click a card below (or see Full Detail) for every assumption made along the way.

Actual vs Budget by month

Bars show actual income and cash out each month; lines trace Net Cash Flow, actual vs budget. This trend always shows the full year to date — use the View dropdown above to focus the KPI cards and Full Detail tables on a single month. October-December aren't shown yet — no actual data.

*Sep is partial (to the 14th) for both actual and budget.

⚠ Two Leisure Focus Trust invoices ("Inv 15024" £1,246.70 and "Inv 15126" £6,045.00) don't carry a Wlc/Blc code in the description, so they could not be auto-assigned to WLC or BLC. Needs Matt to confirm which venue.

5 OF 12 LINES MATCHED — actual total below only reflects the matched lines; real spend is very likely higher.

LEDGER LINE	BUDGET	ACTUAL	VARIANCE
Employees + HoA (combined) COMBINED BUCKET FreeAgent doesn't split salaried payroll between Employees and HoA, so compared as one combined bucket against "151 Permanent staff costs".	-£28,222	-£18,273	£9,949

Membership & Admin

ASA, IT, sundries, kit, meet costs and the rest of the club's running costs. Figures: YTD.
7 OF 14 LINES MATCHED — actual total below only reflects the matched lines; real spend is very likely higher.

LEDGER LINE	BUDGET	ACTUAL	VARIANCE
ASA ASSUMPTION — CHECK = "279 ASA fees payable" (FreeAgent, club pays ASA — net cost) netted against Swim Manager's "ASA Membership Fees" (income billed to members). Confirmed by Matt: Swim Manager is the source of truth for ASA billing — all ASA fees are billed through it — so this replaces FreeAgent's own "007 ASA Fees Invoiced", which only captured a partial, differently-timed subset of the same billing (see Excluded list).	-£9,752	-£2,512	£7,240 26% of budget

BSBASA Fee	-£300	-£930	-£630 310% of budget
Trophies, Medals, Rosettes ASSUMPTION — CHECK = "202 Presentation Evening" + "204 Awards". Presentation Evening fold-in proposed by Claude, not yet explicitly confirmed by Matt.	-£4,220	-£1,244	£2,976 29% of budget
Outside Services NOT IDENTIFIED No distinct FreeAgent category identified. Check FreeAgent coding.	-£1,880	<i>not found</i>	<i>n/a</i>
